

SHAMEE BEE FARM

EXPERIENCE
QUALITY OF HONEY

Welcome to the heart of Majju Honey, where the life cycle of our honey is a testament to nature's wonders. Join us on a journey that begins in the picturesque farms and culminates in the golden jars that grace your homes.

About us

At Shamee Bee farm (SBF), we understand the importance of producing natural and pure bee products. That's why each and every step of our production is overseen by our Quality Control team. From collecting honey by our expert beekeepers to packaging it in glass jars or cans,

"we ensure that every item contains the cleanest and best source, just the way Nature made them".

Who are we?

2004 We Started Business

Our journey begins with a love for bees and the natural sweetness they gift us. Founded in 2004, our story is woven with a dedication to bringing you the purest, most flavorful honey imaginable. From humble beginnings, we've grown into a hive of enthusiasts devoted to crafting an unparalleled honey experience.
